FUNDRAISING FOR BRAIN CANCER RESEARCH

INSPIRED BY THE MOVING SPEECH BY CARRIE BICKMORE RECENTLY

Our Creations—Little Shop of Shops supports many local artists and craft persons, with many being avid knitters and crocheters! So we are going to 'beanie –bomb' the shop with all kinds of beanies!

For every beanie sold during June and July this year the shop will donate \$1 and the makers are donating even more! Some beanies have been donated outright so the full proceeds from those will be donated.

The donations will be made to Brain Tumour Alliance Australia. Extra donations can be made at
